

# Digital Piano Stand Q-98

## Assembling Instruction

1. Ready all the parts

4. Put NO.6 and No.7 into the suitable place of No.8 tubes, fix them with the No.3 screw, and connect the 6 and 7 U tubes with the 4 support bars.

2.

Connect NO.6 and NO.7 tube by NO.2 bolts

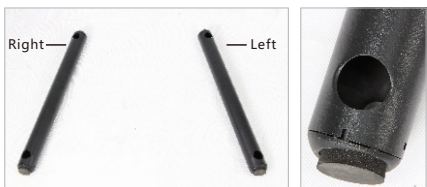

5.

Take out No. 5 tape and screw No.2 under No. 6 tube. The other side is mounted in the same way.

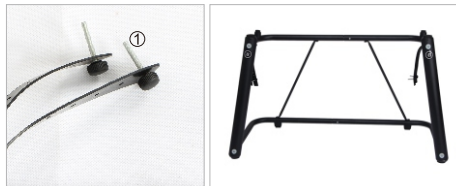

3.

Select NO.8 tube, put the tube with "L" on right, round hole facing up; the another is same as it. Follow pictures

6.

Connect two fixing pins at last. No.1 screw is used for fixing electronic organ and stand.
